Objective

Passionate Front-End Developer with a strong foundation in React, Next.js, and Laravel, complemented by UI/UX design skills. With professional experience in e-commerce and client-focused projects, I aim to leverage my expertise in creating engaging, user-centric web applications. Currently expanding my skill set through advanced studies in Web Development and UX Design, I am eager to contribute to innovative projects in a dynamic team environment.

Work Experience

Part-Time Barista

Coffee Culture, The Broadwalk

Oct 2023 - Present

- Provided exceptional customer service while managing daily operations in a fastpaced environment.
- Developed strong teamwork and communication skills.

Junior Front-End Developer

Extratech Nepal Pvt. Ltd., Kathmandu, Nepal

Mar 2021 - Apr 2023

- Developed and maintained client websites using React, Next.js, and Laravel, ensuring seamless integration with backend systems.
- Collaborated with backend developers to implement features via API, enhancing the functionality and user experience of web applications.
- Specialized in tweaking and optimizing client-side features, contributing to project success through efficient code and innovative design solutions.

Front-End Developer (Apprenticeship)

Infi Store Pvt. Ltd., Kathmandu, Nepal

Dec 2020 - Feb 2021

- Gained hands-on experience in an e-commerce setting, focusing on front-end technologies such as React and Next.js.
- Worked extensively with PHP Laravel backend, integrating frontend elements and ensuring cross-browser compatibility and performance optimization.
- Enhanced the user experience by optimizing images, code, and implementing responsive designs.
